Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, Behind the Lines: Revealing and Uncensored Letters from Our War-torn World, Andrew Carroll, 'Quite simply, this is one of the greatest, most riveting books of war letters I have ever read.' Stephen E. Ambrose on War Letters In 2001 Andrew Carroll authored the US top ten bestseller, War Letters - a unique compilation of extraordinary correspondence from American soldiers serving in US conflicts throughout history. Following the publication of this landmark work Andrew was inundated with letters from soldiers all around the world (to date he has a staggering 75,000 letters). Inspired by these messages he embarked on a quest to discover other previously unpublished letters written during conflicts around the globe. For three years Andrew travelled the world zealously collecting letters from over 35 different countries including Great Britain. Behind the Lines is the remarkable anthology that has been put together as a result of this work. The first book of its kind, Behind the Lines will be a dramatic, intimate and unprecedented look at warfare as seen through the eyes of troops and civilians. Unparalleled in geographical and historical scope it covers all major global conflicts from World War I and II and the American Revolution, up to Afghanistan and Iraq. Featuring never-before-seen letters and emails from war zones, and including the memories and thoughts from those on both sides of the hostilities documented, Behind the Lines will be a truly emotive and poignant depiction of war assembled by a uniquely talented and driven author who always keeps the general reader and narrative in mind.
