Carpenters Son Publishing, United States, 2014. Paperback. Book Condition: New. 198 x 122 mm. Language: English . Brand New Book. We did not follow cleverly invented stories when we told you about the power of our Lord Jesus Christ, but we were eyewitnesses of his majesty. 2 Pet. 1:16 At one time, we considered invisibility impossible, until we discovered a way to bend microwaves and develop stealth technology. Based on the proportion of weight to lift, it is aerodynamically impossible for bees to fly. There is a dimension, beyond sight, sitting just outside of our understanding, where so much more than we can ever imagine, Ephesians 3:20---does happen. And every now and again, the curtain is pulled back and we get a peek at the miraculous! The proof will come later. But it is ok to believe NOW. Sometimes God just does what our finite minds cannot grasp. It was a rare day of wonder and beauty, and the three sisters were caught up in the pristine Eden of snow -- enjoying the moment! Then, the most unexpected thing happened. We all know what it is like to meet unexpectedly with tragedy or suffering. This powerful, true story will revive the awe of the impossible, and remind the reader that God has the power to heal and resurrect life, even in the darkest, most painful moments of it! There is a place on the razor s edge of reality and possibility--above the restraints of this life--where you can soar with the reindeer above the pain and drudgery of every day life!.
