Meier introduces Agile Results—a simple system for meaningful results! It's a systematic way to achieve both short- and long-term results in all aspects of your life—from work to fun. It offers just enough planning to get you going, but makes it easy to change your course as needed. It also provides fresh starts for your day, week, month, and year. Quit sacrificing your personal life for your work life (or vice versa); give each facet of your life its due and find balance. In other words, learn the skills to go the distance in an ever-changing world. The beauty of Agile Results is that you don't have to adopt the entire system to see the benefits; just start with the following three basic tenets. Second, adopt the Monday Vision, Daily Outcomes, Friday Reflection pattern and you set the wheels in motion for weekly results while giving yourself a fresh start each day and each week.
