His experience includes acute care, inpatient/outpatient rehab, industrial rehab, skilled nursing, and home health. An employee of Genesis Rehabilitation Services, currently working at the Bradford Ecumenical Home in Bradford, Pennsylvania, he assists other therapists and healthcare professionals in the treatment and preparation of patients and family members for returning to the home environment. A recipient of the Clinical Excellence Award from his peers at Genesis Rehabilitation Services, he strives to provide the best care specific to the needs of the individual. When providing therapy in the home, he was troubled to find that most people were ill prepared to care for their loved ones. This book was developed to aid those who will be caring for someone at home. It is a guide to understand the process of preparing a person and family with caring for an individual, so that the transition home can be successful.
